

## RELIABLE PRODUCTS

Our mould splitting table ensures easy handling of moulds during their servicing and maintenance. It makes opening and closing moulds easier than ever and allows a full access to various areas. It is a perfect solution for both maintenance and repairing even heavy injection moulds.

## MT TABLE APPLICATIONS

- Mould cleaning and maintenance
- Mould repairing
- Servicing moulds with hot runners
- Inspection of moulds
- Preparing moulds to production

## MT TABLE DESIGN

- Durable welded and milled construction
- Modern design
- Handgrips for easier platform manipulation
- One platform fixed, while the second platform slides along X axis
- 360° rotary upper plates
- Position of both plates can be locked every 90°
- Height adjustment approx 5 cm
- Bumper (safety brake) at the end position

## BENEFITS = EFFICIENCY + ERGONOMICS + SAFETY

- Shorter servicing = higher efficiency
- Full ergonomics of work ensured
- CE certificate
- Tools are protected against any possible damage
- Easy handling of big and heavy moulds
- Customising to meet individual requirements
- Very stable construction, long lifetime

MAX WORKLOAD	TABLE LENGTH	TABLE WIDTH	TABLE HEIGHT	PLATFORM SIZE	TABLE WEIGHT
2000 kg	1300 mm	500 mm	800 mm	546 x 396 mm	350 kg
3000 kg	1500 mm	800 mm	800 mm	646 x 496 mm	425 kg
3000 kg	1500 mm	800 mm	800 mm	796 x 496 mm	460 kg
6000 kg	2000 mm	1000 mm	650 mm	996 x 596 mm	1050 kg
